MOON CREATIONS
Face & Body Paint Product Safety Profile

1. Ingredient Declaration (INCI)

- **Base Formula:** Aqua (Water), Talc, Glycerin, Glyceryl Stearate, Cetearyl Alcohol, PEG-100 Stearate, Hydroxyethylcellulose, Phenoxyethanol, Ammonium Acrylates Copolymer, Tocopheryl Acetate, Ethylhexylglycerine.
- **Colorants:** Contains D&C batch-tested cosmetic dyes and pigments depending on the specific shade.
- **Exclusions:** 100% Vegan. Formulated free from parabens, SLS, and artificial fragrances. [1, 2, 3]

2. Hazards Identification

- **Classification:** Non-hazardous mixture under standard UK/EU CLP cosmetic regulations.
- **Skin Toxicity:** Dermatologically safe, non-toxic, and kind to skin.
- **Eye Contact:** Avoid direct contact with the eyes. May cause mild mechanical irritation if introduced directly to the eyeball. [1, 2]

3. First Aid & Safety Measures

- **Inhalation:** Non-volatile, water-based cream; no inhalation hazard during normal use. [1, 2]
- **Skin Contact:** Intended for skin application. If an unusual allergic reaction or irritation occurs, discontinue use immediately, wash off with soap and water, and seek medical advice if necessary. A small **patch test** is always recommended before full application. [1]
- **Eye Contact:** Flush carefully with water for several minutes. Remove contact lenses if present and easy to do, and continue rinsing.
- **Ingestion:** Low toxicity. Rinse mouth with water. Do not induce vomiting. If large quantities are accidentally swallowed by children, seek medical guidance. [1]

4. Handling, Storage, & Disposal

- **Storage:** Keep containers tightly closed when not in use. Store in a cool, dry place out of direct sunlight and out of reach of very small unsupervised children.
- **Clean-up:** Water-soluble formula. Spills can be wiped up with damp cloths and cleaned with warm water and soap. [1, 2]
